LITTLE DILLY UPDATES

Little Dilly Practice Round is June 26th, 2024

Due to this year's popularity in the Little Dilly Tournament the Practice round on June 26th will be limited to Dilly Participants only. Normal Men's Day play will not be allowed on that day.

Sign-up for the Practice Round will open on May 15th, so please call the pro shop to schedule your tee times. We will be allowing 4-somes and 6-somes on the practice round, however 5-somes will not be allowed due to open cart seats.

Sign-up for the Par 3 Challenge for the Little Dilly will go live at **9 AM May 20th**. This will be via Golf Genius. There will be a maximum of 54 teams this year and with the additional teams we anticipate it will fill up quickly. There will be a waitlist, so we recommend signing up for a chance to play in case some teams drop out. Entry fees are \$100 per team and you are not required to play with your Dilly partner but both players do have to be participating in the Little Dilly Tournament. The entry fees are due to the pro shop and will be cash only and payment is due no later than June 21st.

Thank you all for your continued interest and support of the 2024 Little Dilly.

C A S P E R COUNTRY CLUB

FROM THE GENERAL MANAGER

The weather has been cooperating and some members have had the chance to get out and play some golf. The course wintered well, and Adam and his crew are in the process of lowering green heights, cleaning up course debris and overall course maintenance.

We are trying something new for this year's Mother's Day. Chef Matt has come up with an exceptional menu for Mother's Day. In the past we have done a buffet brunch, this year Chef Matt and his team will have your taste buds exploding with a plated menu that will tell Mom how much you love her. Moreover, if Brunch isn't your cup of tea, Chef Matt has also put together an amazing dinner menu for Mother's Day. Make sure to make your reservations, times will not last.

Chef Matt has also been working on the summer menu for the restaurant, we will roll out the new menu following Mother's Day.

The Pool is on schedule to open on Saturday May 25th. Kristen and Sami (Pool Manager) have been working on hiring new staff in anticipation of the opening date.

Todd and Brad have been working on some new ideas for this upcoming season, please stop by the pro shop for more details. We have an exciting tournament season planned for 2024, please make sure to check out the tournament schedule and see which ones meet your needs.

Jenn and Mary have been working hard with the entertainment committee to come up with some special events throughout the summer, please make sure to read "This Week at Your Club" every week to ensure that you don't miss out!!

I would like to take this opportunity to personally thank Alena Wagner, our office manager. Alena has been a dedicated employee for over 20 years. Most don't see all that she does for the club, but I am here to tell you that she is an invaluable resource for both Members and Employees. Thank you, Alena, for all you do!!!

If you know of someone that would like to join the club, please have them contact me.

Thank you and hope to see you soon,

Bob O'Neill, General Manager

*** Registration for all Tournaments can be found on the Casper Country Club Website. Go to the Golf section, Tournament Registration, and select the Tournament you want to participate in.

**** Don't forget Mother's Day is Sunday, May 12th.** We have a great selection of ladies' apparel, shoes, golf lessons, and gift certificates! Please allow the golf shop to help with any gift ideas.

Making a tee time is appreciated and may be done two weeks in advance. In particular, I'd like you to please keep in mind the daily play schedules, dress codes, and guest play policies outlined in the Membership Directory. Your fellow members and golf staff thank you in advance for your cooperation. If you have any questions, please let us know. Please check in with the golf shop before starting your round.

New to 2024, you may now book your tee time online!! Go to Caspercountryclub.com and click on the Member Login page. There you will be asked for your membership number and pin. Your pin number can be located on your monthly statement. If you are having trouble getting in, please call the golf shop for assistance.

The Junior Golf program begins June 17th, and the registration forms are available in the Golf Shop for your convenience and will be sent out via email. CCC Junior League or Casper's Advanced Junior Program will begin as soon as school is finished for the year. This will be a summer-long program, and we welcome 6th-grade to 9th-grade golfers that have already participated in the junior program and want to compete at the high school level. Players will receive a team polo, weekly practices, and competitions. The cost is \$500 per player. Space is limited. Please call the golf shop for more details and to sign up.

The golf shop staff and I look forward to seeing everyone and enjoying the upcoming season together. Please let us know if there is anything we can do to elevate your experience.

ON COURSE

With the warm weather we've recently had, our team has been weeding out and smoothing sand in the bunkers. This has been our main focus after a very dry windy winter. Irrigation has been running smoothly and we have been tweaking and adjusting heads. We have mowed greens several times at a higher height of cut. We will start slowly lowering the cut and be at our summer cutting height by the middle to late May. Fairways have been mowed and we have started to mow rough as well. With warmer temps ahead we will get into a frequent mowing schedule.

We also have some projects going on. We will be building a new retaining wall on #8 teebox. I think this will give that area a great new look. The parking lot is almost wrapped up, we reshaped a small area and will be finishing it with river rock. I have also been working on shaping a no-mow area right of 17 green. I plan to seed this with a native grass mix that should come in nicely.

Looking forward to a great spring.
Adam Snively, Golf Course Superintendent.

KRISTEN'S CORNER

Happy Spring! Can we believe May is here already? It's been a bit since I've posted a *Kristen's Corner* – we have been quite busy in the Restaurant (which is amazing and I would like to thank the Membership for supporting the Club, the employees, and the Restaurant!). However, it means that I haven't quite had the time to sit down and type my, sometimes random, thoughts on paper. But here I am excited to let the Membership know that Summer is almost upon us!

Bev Cart will begin running May 1st – YAY!!! We will also be open (limited hours) on Mondays in the Restaurant until the Pool Bar opens.

I'm excited that the Restaurant has stayed busy this Winter Season! I am beyond thrilled to hear all of the positive feedback regarding Chef Matt's new menus, specials, and overall constant remarks regarding the menu and food! I want to take a moment to thank Chef Matt for coming in with such ambition and gusto – redefining the way CCC provides excellent service in the Restaurant to our Members!

As always, we are looking forward to a busy Summer. I want to thank the Membership in advance for their patience while we are bringing new staff on, waiting for returning staff to start up again, and waiting for Summer Season to begin to bring on new staff.

I know I speak for everyone at CCC when I say we are incredibly grateful for the Membership supporting the Club, keeping us busy during the Winter Season, coming out on a regular basis and providing us with a genuinely enjoyable time while we do everything we can to make Your experience at the Club excellent!

As always, thank you for joining me in this Month's *Cheers*. We're looking forward to all of the sun-shiny days to come, beautiful days lounging around the pool, mid-day lunches in the Restaurant, quiet Sunday evenings golfing, special occasion dinners, and everything in between.

Until next month,
Kristen
