HAPPY 100TH BIRTHDAY CCC!!

“Sunday, June 8, 1924 was a standard day for any big golf tournament at the Casper Country Club - windy and chilly. The opening drive would be taken by club President George Campbell at 9:30 o'clock am.”

Club History

Please think of the Casper Country Club when you are cleaning out old storage areas and files in your home, your parents or even grandparents' homes. Club memorabilia can be found ANYWHERE! Please bring any photos, old newsletters, scorecards, or anything else to the office. Alena will be thrilled to add it to our small, yet prized collection.

Father's Day

Need new golfing attire for dear ole' dad this Father's Day? Look no further than our Pro Shop!

Todd and his staff will help you find the perfect golf "suit" to "help your game". Our "togs" are also reasonably priced!

KRISTEN'S CORNER

Summer is here! Happy June everyone! I know we are all looking forward to sunny weather by the pool, longer days, lots of golfing, and all the fun activities that come along with this season. Summer season at CCC is in full swing, the Pool and Snack Bar are open, CCC's new Pool manager, Sami, has monthly pool parties planned, Bev Cart will be starting its full Summer schedule this month – Tuesday through Sunday – and we have all kinds of activities in between.

I am excited to have been able to work closely with Chef Matt and see his new Summer Menu roll out in the Restaurant. I am also excited to see the variety of healthier menu options that Members have requested at the Snack Bar. I want to thank the Membership for their patience, excitement and feedback following all of the changes CCC has put into place to heighten Members' experience every time they come out to the club.

This season CCC has lots of new faces as part of the team so I'd like us to give them all a warm welcome like all of them and work alongside us so we can always better work towards the Members' ideal experience.

I will be creating monthly drink specials every month this Summer, so be sure to ask your bartender what the monthly special is!

As always, I want to thank the Membership for their unconditional support of CCC. Cheers to the beginning of a great Summer!

LIVE MUSIC IN 2024!!

Due to Tournaments we will have only two nights of live music – don't miss out!
All performances are 5:00 – 9:00 pm.

Friday, June 14: He's Back!! **Aquile** has returned to Casper and will once again entertain us with his live performances.

Friday, June, 21: **Quinlan Valdez** is becoming a club favorite!

CASPER COUNTRY CLUB

ON COURSE

Weather looks like it is finally turning a corner for us after a very wet May. We have continued to work in bunkers and we're trying to keep up with mowing all areas of the golf course. The retaining wall project on 8 teebox has been really slow going. All the rain we have received makes it impossible to compact the soil behind the wall correctly. Now that it looks like we are going to get some dry weather we will be focused on completing that project.

We are getting back into the summer routine and greens have been lowered down to their summer height. We will verticut and topdress them with sand on June 3rd, this will increase smoothness and green speeds overall.

Looking forward to warmer days on the course!

Adam Snively
Golf Course Superintendent

FROM THE PRO SHOP

Thank goodness June has arrived. Bring on the heat! I know the pool, the grass growth, and the Little Dilly will be very active, but let's flood the golf course with so many members the golf staff will know your habits. We do have a lot of new staff, so please hold us accountable but also understand that the more times we see you and the more you communicate, the better service we can provide.

June is an active month for tournaments and junior camp. Please be sure to check out the calendar on the club's website for all of the fun events we have planned for this summer. (If you are interested in playing golf on a Friday in June, please call ahead because that is our tournament day.)

Remember to sign your youngster up for Junior Golf. The 1st Junior Camp starts Monday, June 17th. If you haven't registered, please do so in the golf shop.

For CCC to provide an exceptional golf experience to all of its members, the board of directors has spent many years developing policies that are expected to be followed by its members and employees. (These rules can be found on the club's website.) As we get into the summer, I must remind the membership of some of these rules.

- 1) A player must have a valid driver's license to drive a cart.
- 2) Members under the age of 15 years old are not permitted to play the golf course before 11 AM on the Weekends. (They may accompany players but are not allowed to play.)
- 3) Private Golf Carts must be registered with the Golf Shop. (Please don't forget to give Todd or Brad your Carts Insurance and also to pick up your registration sticker.)
- 4) A Private Golf Cart trail fee covers the family membership. Any player riding a private cart that is not part of the family membership will be responsible for the regular cart fee.

Thanks for reading, and we look forward to an awesome June!!

Head Golf Professional

FROM THE GENERAL MANAGER

There weather is slowly starting to change, and we have started to see the tee times pick up. I hope everyone is excited about the 2024 golf season.

Chef Matt has launched his new summer menu and we have had positive feedback from it. Again, our hope is to change the menu more frequently throughout the year, so you never get tired of the same old thing. With that being said, some of your favorites from the old menu have gone away, but rest assured we have the recipe saved and you will see them in the future.

Summer hiring is an ongoing process. I am sure all the business owners can attest to the difficulty of hiring people in today's landscape. Our department heads have been working hard to find qualified candidates to ensure that your experience at the club meets expectations. Please be patient with us as we navigate through these difficult times.

The pool is open, and our pool manager Sami has some great plans for this summer. Each month she has a themed party planned, so make sure to check out the monthly calendar and This week at your club for updates.

Junior Golf is right around the corner!! If you haven't had the opportunity to sign up, please call the Pro Shop for details. We will once again be doing the advanced junior program, if you child meets the requirements, please contact Todd to register.

Adam and his crew have been hard at work. The weather in the second half of May did not cooperate. He is planning on Verti cutting the greens on Monday June 3. This process will help with grain and the speed of the greens. With school getting out, his crew will grow and more of the fine details we have come to expect will be addressed.

Thank you and see you around the club!

General Manager
