## FROM THE PRO SHOP

Fall has arrived and so has the best time to play golf. The course is still in excellent condition and there are a lot of open tee times. This is a great time to work on your game and incorporate changes if needed in your golf swing. We will be putting together a winter program for those who want to continue improving in the off-season. More details will be available on dates and pricing in the November Cheers.

The days are getting shorter and cooler so please take notice of the October golf shop hours:

October Golf Shop (depending on weather & activity)

Monday – Friday: 9:00am to 5:30pm

Weekends: 8:00am to 5:30pm

\*\*\* If there is a possibility for a frost delay, please call the Pro Shop prior to coming out\*\*\*

As a reminder, all golf shop credit must be used up by October 31<sup>st</sup>. This also is a great time to think about Christmas gifts for your family and golfing buddies.

As always please remember to repair your ball marks and sand your divots.

Thanks again for your support and feedback. Have a great month!

Todd Schafersman, PGA  
Head Golf Professional

## FROM THE GENERAL MANAGER

Fall is officially here, and the weather is cooperating for some great fall golf!

Adam, our superintendent, just Aerified the greens this past week and although it is not popular with the membership, it is a necessary evil to insure great greens for next season. Adam has done a great job this year with course conditions, and I would like to thank him on behalf of the membership for his efforts and that of his team.

Todd, Brad and the rest of the golf staff have done a great job managing all our golf needs this year. We are lucky to have them. Fall is a great time to play golf so make sure you get out before the snow flies.

Chef Matt and Kristen have both been trying hard to meet the expectations of the membership in the restaurant. With Chef Matt having a year under his belt and a better feel for the membership's tastes, I think this fall's menu will have something for everyone. Please come out and try the new menu which will launch in the next few weeks.

On Saturday October 5<sup>th</sup>, Chef Matt will be teaching his Charcuterie class starting at 5:30pm in the ballroom. This class fills up quickly, so if you are interested, please call Jenn ASAP.

To be Fiscally Responsible to our members, we have new winter hours of operation for the Restaurant starting October 1st.

Monday – Closed

Tuesday – Bar opens at 3:00pm, Dinner service starts at 5:00pm. (we will be closed for lunch)

Wed, Thurs, and Friday – Open for lunch starting at 11:00 am and remain open through dinner.

Saturday – We open for breakfast starting at 7:00 am and remain open through dinner service

Sunday – We open for breakfast and lunch at 7:00 with the bar and restaurant closing at 3:00pm

Please read “This week at your club” articles for special events, dinner specials and drink specials.
